

## PEE-WEE SOCCER RULES

1. Teams will consist of co-ed players from 4k to K.
2. Practices are strongly recommended to be kept to 30 minutes, not to exceed 45 minutes.
3. Players are required to wear a team jersey / shirt and are required to have shin guards and a dark colored pair of shorts or pants. Cleats are not mandatory.
4. Games will be played on a field that is 90ft x 60ft.
5. Goal size should not exceed 4ft x 4ft.
6. Ball size is "3".
7. There are no goalies used at this level.
8. The length of a game will not exceed 50 minutes. (Four 10 minute quarters, with a 5 minute halftime, and up to 2.5 minutes between quarters.)
9. There will not be any officials used in a game. A coach or coaches assistant may be on the field during play to give instruction and encouragement only, not to reprimand an opposing player or coach. If a ball goes out of bounds on either sideline, it will be thrown in. If a ball goes out of bounds on an endline, the ball will be placed on the endline and kicked in.
10. Substitutions during a game at this level should be considered *as needed*, not just during offensive possession.
11. Remember, there is no slide tackling allowed as injury may result.
12. If a player is injured during a game, play will stop and all other players will sit down until instructed otherwise. (please make the teams aware of this during practices.)
13. All players, coaches, and spectators are expected to conduct themselves in a positive, respectful, and good sportsmanship manner.

\*\*\*Please remember, although we as coaches want to be competitive, it is our job to make the game of soccer a fun learning experience for children of this age if we want them to continue to return each season. If a child learns to love the game, competitiveness will surely follow.
